Relationship to applicant:

All applications should be received by 12 February 2010. Applications received by this date will inform the blockings of subjects on the timetable. Although we cannot absolutely guarantee that you will have a place on all your subject choices, meeting the deadline gives you the best possible chance. In addition, some courses may fill early and you could be put on a 'waiting list'. Late applicants will need to make choices according to subject grid blocks and therefore places on courses/in the Sixth Form cannot be guaranteed.
